Date: 19 January 2026	Service Bulletin #: 011926	# of pages: 1
Subject: Main Container TSO Label		
Status: <b>Optional</b>		

## Identification:

- Main Container TSO Label in Yoke Pocket with **SRI 200** Marking.

## Background:

A reserve parachute rigger inspecting a Wings Main Container noticed the TSO label on an early 2001 manufactured system stated **SRI 200** instead of the **SRI 100** that should have been on the container.

## Service Bulletin:

This Service Bulletin involves the TSO label for Wings Main Containers **SRI 100**. In the early 2000's a batch of labels was misprinted with the markings **SRI 200**. It has now been brought to our attention, and we would like to clarify that the misprinted labels do not affect the airworthiness of the container. Anyone wishing to have the label replaced may send the container to the above address. Please contact the office for assistance.

## Authority:

Henri Pohjolainen, President  
Sunrise Manufacturing International, Inc.  
4035 Correia Dr.
